

## Blogger: Re-ordering Posts

This guide explains how to re-order the posts in a blog. Blog posts are in order of date, with the latest post at the top of the page. To re-order the blog posts you have to alter the date/time of the post:

### Select relevant Blog

Log-in to your Blogger account, and in the Dashboard click the 'Posts' link for the blog you wish to change.

### Current Posts order

The blog posts are in order of date/time, with the most recent posts at the top. Click the 'Edit' link of the post which you wish to change the order of.

## Change the Date/Time
